The Client must raise any invoice dispute within 10 business days of receipt in writing to accounts@vantarasystems.example. Undisputed portions remain payable by the original due date.

4. SERVICE LEVEL AGREEMENT (SLA)

4.1 Incident Priority Classification

All incidents reported to the helpdesk are classified according to the following priority matrix. Response and resolution times are measured from the time the Provider's system logs receipt of the incident report.

Priority	Definition	Initial Response	Target Resolution
P1 — Critical	Complete service outage affecting all users or core business operations (e.g., network down, cloud environment unreach	15 minutes	4 hours
P2 — High	Major degradation affecting more than 20% of users or a critical system running in degraded mode.	1 hour	8 hours
P3 — Medium	Partial service degradation affecting a single department or non-critical system.	4 hours	24 hours
P4 — Low	Minor issues, cosmetic bugs, or queries with no material impact on operations.	1 business day	5 business days

4.2 Monthly Uptime Targets

Service Module	Uptime Target	Measurement Window
Network Infrastructure Management	99.5%	Calendar month
Cloud Infrastructure (AWS)	99.9%	Calendar month
Cybersecurity Operations (SIEM)	99.5%	Calendar month

Service Module	Uptime Target	Measurement Window
Backup and Disaster Recovery	99.0%	Calendar month
IT Helpdesk (availability)	99.0%	Mon–Sat 07:00–22:00

4.3 SLA Credits

Where the Provider fails to meet the uptime targets in Section 4.2 in any calendar month, the Client is entitled to a service credit applied to the following month's invoice, calculated as follows:

Uptime Achieved	Service Credit (% of affected module's monthly fee)
99.0% – below target	10%
98.0% – 98.99%	20%
95.0% – 97.99%	35%
Below 95.0%	50% (and Client may invoke termination clause 8.2)

Note: Credits are the Client's sole financial remedy for SLA breaches and do not constitute an admission of liability. Credits shall not exceed 50% of the total monthly retainer in any single month. Scheduled maintenance windows (minimum 48 hours' notice) are excluded from uptime calculations.

5. PENALTIES AND BREACH PROVISIONS

5.1 Late Payment by Client

If any undisputed invoice remains unpaid after the 30-day payment due date, the following consequences shall apply automatically without further notice:

Days Overdue	Consequence
1 – 15 days	Late payment interest at 1.5% per month (18% per annum) on the outstanding amount, calculated on a daily basis.
16 – 30 days	Late payment interest continues. Provider may suspend non-critical services (Tier 2 helpdesk, reporting) with 5 busin
31 – 60 days	Provider may suspend all services except Cybersecurity Operations (to protect Client infrastructure) with 3 business
Over 60 days	Provider may terminate this Agreement with immediate effect and recover all outstanding amounts plus enforcement

5.2 Provider Performance Penalties

In addition to SLA credits under Section 4.3, the following penalties apply for material service failures:

Breach Type	Penalty

Data backup failure for 3+ consecutive days	SGD 1,000 per day after the third day
Security breach attributable to Provider negligence	Direct damages up to SGD 100,000 per incident; mandatory post-incident audit at Provider
Failure to deliver quarterly cloud cost report	SGD 300 per week delayed beyond 5 business days
Key personnel replacement without 30-day notice	SGD 2,000 per instance (applies to dedicated account manager)

Note: Total Provider liability under Section 5.2 shall not exceed 3 months' total retainer fees (SGD 55,500) in any 12-month period, except for gross negligence or wilful misconduct which shall not be capped.

6. CONFIDENTIALITY AND DATA PROTECTION

Definition of Confidential Information

All technical, commercial, operational, financial, and strategic information disclosed by either party in connection with this Agreement, whether in oral, written, electronic, or any other form, is deemed "Confidential Information". This includes but is not limited to source code, network architecture diagrams, employee data, customer data, pricing, and business strategies.

Obligations

Each party ("Receiving Party") shall: (a) keep Confidential Information strictly secret; (b) not disclose it to any third party without prior written consent; (c) use it solely for the purposes of this Agreement; (d) apply the same standard of protection as it applies to its own confidential information, but not less than reasonable care.

Permitted Disclosures

Disclosure is permitted to employees, contractors, or professional advisors who need to know and are bound by equivalent confidentiality obligations. Disclosure required by law or regulatory authority is permitted provided the disclosing party gives maximum practical notice to the other party before disclosure.

PDPA Compliance

The Provider shall process all personal data of the Client's employees and customers strictly in accordance with the Personal Data Protection Act 2012 (PDPA) of Singapore. A Data Processing Addendum (DPA) is annexed as Schedule B. The Provider shall notify the Client within 24 hours of becoming aware of any personal data breach.

Survival

Confidentiality obligations survive termination of this Agreement for a period of five (5) years from the date of termination.

7. INTELLECTUAL PROPERTY

Pre-existing IP

Each party retains all rights to its pre-existing intellectual property. Nothing in this Agreement shall transfer ownership of any pre-existing tools, frameworks, methodologies, or proprietary software belonging to either party.

Work Product

All deliverables, scripts, automation tools, dashboards, and documentation created specifically and exclusively for the Client under this Agreement ("Work Product") shall be owned by the Client upon full payment of all fees associated with their creation. The Provider retains a royalty-free licence to use generic components of Work Product in other engagements.

Provider Tools

The Provider's proprietary monitoring platform ("Vantara Watch") and SIEM tooling remain the exclusive property of Vantara Systems Pte. Ltd. The Client is granted a non-exclusive, non-transferable licence to access outputs from these tools solely during the term of this Agreement.

Open Source

Where the Provider uses open-source software in delivering Services, it shall maintain a current Bill of Materials (BOM) and provide it to the Client on request. The Provider warrants that use of open-source components does not conflict with the Client's rights under this Agreement.

8. TERM AND TERMINATION

8.1 Initial Term and Renewal

This Agreement commences on 1 September 2026 and continues for an initial term of two (2) years, expiring on 31 August 2028 ("Initial Term"). Upon expiry of the Initial Term, this Agreement shall automatically renew for successive one-year periods unless either party provides written notice of non-renewal at least 90 calendar days before the end of the then-current term.

8.2 Termination for Cause

Terminating Party	Trigger Event	Notice Required
Either party	Material breach by the other party that remains uncured for 30 calendar days after written notice specifying the breac	30 days' written notice
Either party	Insolvency, judicial management, receivership, or winding-up proceedings commenced against the other party.	Immediate
Client	Three or more P1 SLA breaches (unresolved within target) in any rolling 90-day period.	14 days' written
Client	Confirmed security breach attributable to Provider negligence that results in material data loss or regulatory action.	14 days' notice
Provider	Client invoice overdue beyond 60 days after the due date (per Section 5.1).	Immediate (post-suspension)

8.3 Termination for Convenience

Either party may terminate this Agreement without cause during the Initial Term by providing 90 calendar days' written notice. If the Client terminates for convenience during the Initial Term, an early termination fee equivalent to 3 months' total retainer (SGD 55,500 exclusive of GST) becomes immediately payable. No early termination fee applies if the Provider terminates for convenience or if the Client terminates for cause.

8.4 Obligations on Termination

Upon termination: (a) Provider shall deliver all Client data in a standard portable format (CSV, JSON, or as agreed) within 10 business days; (b) Provider shall securely delete all copies of Client data within 30 days and provide written certification; (c) Client shall pay all outstanding invoices within 15 business days; (d) each party shall return or destroy the other's Confidential Information; (e) both parties shall cooperate in good faith during a transition period of up to 60 days if requested by the Client.

9. GOVERNING LAW AND DISPUTE RESOLUTION

This Agreement is governed by the laws of the Republic of Singapore. The parties shall first attempt to resolve any dispute by escalation to their respective senior management within 10 business days of written notice of a dispute. If unresolved within 30 days of such escalation, disputes shall be submitted to mediation at the Singapore Mediation Centre (SMC) before any arbitration is commenced. If mediation fails, disputes shall be finally resolved by arbitration in Singapore under the Arbitration Rules of the Singapore International Arbitration Centre (SIAC), with a sole arbitrator, in English.

10. GENERAL PROVISIONS

Entire Agreement

This Agreement, including Schedules A (Service Specifications), B (Data Processing Addendum), and C (Accepted Change Request Log), constitutes the entire agreement between the parties and supersedes all prior representations, negotiations, and understandings relating to the subject matter hereof.

Amendments

No amendment to this Agreement is valid unless made in writing and signed by authorised representatives of both parties. Change requests to the scope of services shall follow the process in Schedule A.

Force Majeure

Neither party shall be liable for delays caused by events beyond its reasonable control including but not limited to acts of God, pandemic, war, cyberattacks by nation-state actors, government action, or internet backbone failure. The affected party must notify the other within 48 hours and use best efforts to restore services. If a force majeure event persists for more than 30 days, either party may terminate without penalty.

Subcontracting

The Provider may subcontract elements of the Services to approved third parties listed in Schedule A. Any additional subcontractors require prior written Client approval, not to be unreasonably withheld. The Provider remains fully responsible for the acts and omissions of its subcontractors.

Notices

All formal notices under this Agreement shall be in writing and delivered by email to the key contacts in Section 1 with read-receipt confirmation, or by registered post to the registered addresses above. Notices are effective upon confirmed delivery.

11. EXECUTION

This Agreement is executed in two originals. Each signed original is equally valid. Electronic signatures under the Electronic Transactions Act (Cap. 88) of Singapore are deemed valid and binding.
